SECOND ASSENTED TO MOTION TO CONTINUE SENTENCING

Now comes the defendant and moves this Honorable Court to continue this matter for sentencing on November 7, 2007. In support of this motion the defendant's counsel states that he is scheduled to appear in Brighton District Court in the matter of Commonwealth v. Additionally and more importantly the defendant's son Jaden has two appointments at Boston Medical Center. At 11:00am he has a appointment for an MRI. and at 1:00pm he has an appointment for an EEG. They said the EEG would take two hours. Last week the defendant's son had an appointment with Dr Douglas a Neurologist. He is having seizures and he has nerve damage to one side of his body. The defendant's physicians wanted to get these tests done as soon as possible to properly diagnose and treat this very serious medical condition.
